

FOSSAMALA

VIGNETI DI FAMIGLIA

TRAMINER AROMATICO DOC FRIULI GRAVE

The vineyard employs a clone obtained from massal selection of a former vineyard of the Foradori winery in Trentino. The grapes are harvested after mid-September in the cooler hours of the day and then macerated cold (6 °C) for 12 hours. The must is decanted cold to get a very clean juice and is fermented in stainless steel tanks at controlled temperature (max 16 °C).

After being decanted twice to separate the coarser lees, the cold winter helps stabilize and clarify the wine naturally, and gives a Traminer that is slightly clarified, filtered and bottled in mid-spring. Pale yellow in colour, the nose recalls flowers with hints of roses, showing good acidity and freshness on the palate.

TYPE OF SOIL

Clayey loamy soil.

The vineyard presents 7800 vines per hectare.

DATA SHEET

Organoleptic description:

Straw yellow in color, the nose has floral hints and memories of pink. The taste denotes a good acidity and freshness.

Pairings:

Ideal with raw, steamed or fried fish or shellfish. Also excellent as an aperitif.

Service Temperature:

Serve at 10 - 12 °C in tulip glasses.

Name in the wine list:

Traminer Aromatico – Fossa Mala.

Description in the wine list:

Aromatic, floral, fresh.
